FINE ARTS NIGHT

~ "Sweet Dreams" ~

EVERYONE is invited to come celebrate the arts this evening at Lake Street School! Our theme this year is "Sweet Dreams."
Come find your artwork displayed on the walls, and complete the Art Scavenger Hunt to enter into the raffle! Then, enjoy performances by the LSS Band and Chorus!

When: Tuesday, May 14, 2019

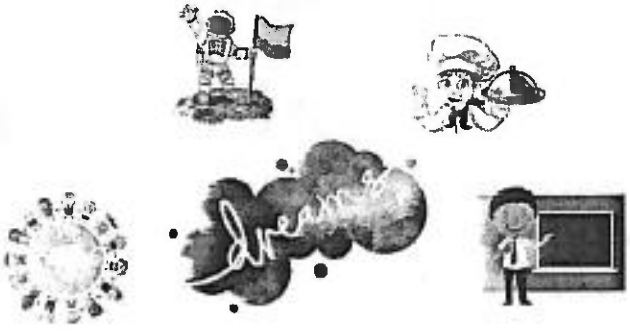
Where: LSS Gym

6:00 pm – Art Scavenger Hunt

- Be sure to hand your Scavenger Hunt in to Mrs. Shaw-Mumford BEFORE the start of the concert in order to be entered into the raffle.
- The drawing will take place at the conclusion of the concert.

6:30pm – Concert

- LSS Band
- LSS Chorus



***Student performer call times are on the back of this flyer.**

May 21st

"Teal Tuesday"

Help support the 2nd Annual

Tourette Syndrome Warriors

LSS Raffle Basket Sign Up

It's that time of year once again. The Family Fun Night is a time the whole LSS community looks forward to each year. The PTO is asking each class room to choose a theme and create a basket for the event. It is a great fundraising event for the PTO and families really look forward to it!

Here are the themes:

Turnbull - Games -

Dixon- Arts and Crafts

Chep- Baking Basket -

Tutko- Toys and Games

Waterman - Movie Night

Caron - Fun in the Sun

Sisson - Relaxation

Bourn - Board Games

Fairbanks - Book Basket -

Guillet - Tech Time

Schipper Backyard Fun -

Office/ Nurse/Custodial - Beach

Families we need your help!! It can be any size or amount contribution you can spare. A $5 gift card, sunglasses, movie tickets, a deck or cards, donate the actual basket that the goodies will be held in.... Just contact the the teacher or parent in charge of the basket to let them know and send it on in with your child. The date for the baskets will be Friday May 24th to ensure enough time to put the baskets together. Thank you so much for your help and making this a great event!!!

Vernon Summer Learning Program 2019

Course Descriptions

When selecting a course please make sure you choose a backup choice just in case your first course selection if filled. When selecting courses you can pick one class (and a backup) from each section.

Grades K – 3

Weeks 1-3

Session A (8:00-9:45)

- **Academic Boost Kindergarten-1st Grade:** This class is designed to provide students with a review of the skills they learned this past school year. Students will be working on math, writing, and reading skills. Skills that will be stressed are mathematical fluency, reading comprehension, and creative writing. This is a great course for students who need a little extra support in the core academic areas.

- **Academic Boost 2nd – 3rd Grade:** This class is designed to provide students with a review of the skills they learned this past school year. Students will be working on math, writing, and reading skills. Skills that will be stressed are mathematical fluency, reading comprehension, and creative writing. This is a great course for students who need a little extra support in the core academic areas.

- **Arts and Crafts:** Students will be using their inner creativity to make various arts and crafts projects that are tailored for students in grades K-3.

- **Healthy Snacks and Easy Cooking:** Students will learn the importance of eating healthy, and learn the differences between healthy food and unhealthy food. Each day students will make a healthy snack, and at the end of the course will have their own "healthy cookbook."

Session B (9:45-11:30)

- **Arts and Crafts:** Students will be using their inner creativity to make various arts and crafts projects that are tailored for students in grades K-3.

- **Reader's Theatre:** Attention Readers/Actors!! What an amazing chance to build reading fluency and comprehension and act at the same time! We will do plays involving science, social studies, language arts and more. Our group will work on teamwork while building oral fluency along with strengthening our reading comprehension. We will build props, background scenery, and a few costumes so we can put on a play each day! Come and join the fun!

- **Active Kids Sports Spectacular:** In this class students will engage in a wide variety of sports and games to keep them moving. Students will learn the importance of sportsmanship, and get some great exercise while doing it.

- **Creative Writing:** Students will learn what is needed to create the best stories ever! Students will write and share stories with their peers while learning how to add detail to stories to make them funnier, scarier, or more interesting.

Grades 4 – 8

Weeks 1-3

Session A (8:00-9:45)

- **Academic Boost 4th – 5th Grade:** This class is designed to provide students with a review of the skills they learned this past school year. Students will be working on math, writing, and reading skills. Skills that will be stressed are mathematical fluency, reading comprehension, and creative writing. This is a great course for students who need a little extra support in the core academic areas.

- **Academic Boost 6th – 8th Grade**: This class is designed to provide students with a review of the skills they learned this past school year. Students will be working on math, writing, and reading skills. Skills that will be stressed are mathematical fluency, reading comprehension, and creative writing. This is a great course for students who need a little extra support in the core academic areas.

- **Team Games / Basketball:** Although basketball will be one of the main focuses of this course, students will participate in a wide variety of team sports and cooperative games.

- **Fun in STEAM:** This is a hands-on interactive class that you don't want to miss! Enjoy an entire session of exciting science and engineering experiments and explore the math and technology behind them! Come prepared to build, experiment, observe, and calculate!

Session B (9:45-11:30)

- **Discovery Science:** Students will participate in a variety of hands-on science experiments that are tailored to fit the interests of students within this age group. Students will design experiments, test a hypothesis, and explore the results.

- **Coding:** Students will have access to Chromebooks to learn all about the exciting world of coding. This course has a varying degree of difficulty so all students can find success in this interactive course.

- **LEGO / Robotics:** Students will work with LEGO robots and have them carry out basic operations, such as going through mazes and picking up objects.

- **Book Club:** Students will read various books at their level, and discuss important elements of the story. This is an interactive class where students will get to participate in small projects and class activities. Reading has never been so FUN!

BOX TOPS CHALLENGE

SAVE THOSE BOX TOPS!!!! We will be having a **competition** between classes with a **fun prize** for the winning classroom.

What are box tops? They are little coupons on many items you already buy that look like the picture above. Each box top is worth $0.10 for our school which may not seem like a lot, but if each classroom collects 1,000 box tops throughout the year that's over $500 in free money!

When is the competition? We will run a total of 4 competitions with a prize to the winning classroom at the end of each:

October – November / December – January / February – March / April – May

How do I find Box Tops? I have attached a list of the products that have Box Tops on them. Ask family to collect for you, ask friends to collect for you. If you know someone that works at a grocery store ask them to collect for you from expired products.

How do I submit Box Tops? Cut the Box Tops out (make sure the whole coupon is there including the expiration date) and put in a Ziploc bag and have your child bring them to school. To ensure your child's class gets credit make sure your child's name and teacher's name is legible on the bag.

Keep an eye on the PTO Facebook page https://www.facebook.com/lakestreetpto.vernon/ for special redemption offers. Although they will not go toward the competition they will still help the school.

VERNON Family School & Community PARTNERSHIPS

Laugh and Learn

ECHN Eastern Connecticut Health Network

The Vernon Family School and Community Partnership Center invite caregivers and children ages 1—5 (and siblings) to participate in fun and interactive activities. Caregivers will be given ideas for learning activities at home. Each family will go home with a book to keep!

Summer Reading & Writing Skills PROGRAMS

Sacred Heart UNIVERSITY

CLASSES OFFERED IN WEST HARTFORD

READING SKILLS PROGRAMS
4-Year-Olds – Entering 3rd Graders

Program for 4-Year-Olds and Entering Kindergartners
In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will be excited about books and reading.

Program for Entering 1st Graders
In this fun summer program, your child will learn to read independently. Children learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Your child will be excited about reading and get off to a great start in first grade.

Program for Entering 2nd Graders
In this fun summer program, your child will become a fluent, confident reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will gain confidence, be excited about books and reading, and get off to a great start in second grade.

Program for Entering 3rd Graders
In this fun summer program, your child will become a strong, fluent reader. Children develop long-word decoding skills, reading fluency, and excellent comprehension. Your child will gain confidence, develop a lifelong love of books and reading, and get off to a great start in third grade.

READING & WRITING SKILLS PROGRAMS
Entering 4th Graders – Entering 11th Graders

Program for Entering 4th Graders
Program for Entering 5th Graders
In these fun and effective programs, your child will become a skilled, enthusiastic reader and a better writer. Students develop strong comprehension skills in fiction, non-fiction, and textbooks. They build long-word decoding skills and learn to read more fluently and rapidly.

Students learn effective techniques that will improve their writing skills and build their confidence as writers. Your child will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

Program for Entering 6th-8th Graders
Program for Entering 9th-11th Graders
In these effective and enjoyable programs, your son or daughter will make substantial gains in comprehension, learn to read twice as fast, and become a better writer. Students learn the best way to take notes, study for tests, and read fiction, non-fiction, and textbooks.

Students learn effective techniques that will improve their writing skills and build their confidence as writers. Your student will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

INFORMATION

CAMP STAFF

Campers will have an opportunity to learn from many outstanding high school and college coaches. The staff also includes current and former college players.

The tenth coach in the history of the Eastern Connecticut State University men's basketball program, Bill Geitner has coached and won more games than any of the previous nine coaches, with no previous head coach in the 77-year history of the program having coached more than his 16 seasons.

En route to his eighth 20-win season in nine years in 2017/18, Geitner led the Warriors to a record 26 wins against just four losses, their fifth straight Little East Conference regular-season title, second LEC tournament championship in a row, fourth NCAA tournament berth in five years and record No. 10 national ranking. For his efforts, he was selected NABC Northeast Region Coach-of-the-Year for the second time in seven years and LEC Coach-of-the-Year for the sixth time in nine seasons.

After winning the program's first Little East Conference tournament title since 2000 in 2011/12, Geitner orchestrated a run through the NCAA tournament which included a regional championship with victories over Medaille College and in double overtime, a buzzer-beating triumph over host SUNY Oswego.

At Eastern, Geitner has compiled an overall record of 275 wins and 171 losses for a .612 winning percentage. The most successful LEC program for nearly a decade, Eastern is 74-10 (.881) in LEC regular-season play since 2012/13 and has won its last 38 consecutive LEC regular-season games at Geissler Gymnasium over the last six years.

MEDICAL

All injuries and illnesses will be handled by our First Aider and staff.

CONDUCT

The Camp Director reserves the right to dismiss any individual for misconduct. No refund will be given in this case.

COST

Tuition is $240. All applications must include a non-refundable deposit of $100. Camp space is limited. Make checks payable to EBC or Eastern Basketball Camps.

DISCOUNT

Family Discount – $10 off clinic price for two or more family members that register.

Two-Week Discount – $30 off total if attending two weeks.

Three-Week Discount – $75 off total if attending three weeks.

Only one discount applies for each camper.

Eastern Basketball Camps staffer Tarchee Brown (3), the 2018 Northeast District Player-of-the-Year and first-team NABC All-America.

VERNON PARKS AND RECREATION

GATORS SWIM TEAM

Swimmers 18 years old & younger, join the Gators Swim Team. Make new friends and improve your stroke while having fun under the sun!

Practices are held Monday - Thursday evenings
Horowitz Pool, Henry Park
120 South Street

Season goes from late June through early August.
All participants receive a Gators Swim Cap & access to Morning Stroke Clinics during the season.

Residents $130, Non-Residents $150
Gators compete in the Central Connecticut Swim League, due to league rules we can only accept non- residents from Tolland, Bolton, Ellington & Manchester

NOT SURE IF THE GATORS ARE RIGHT FOR YOU?

Join us on Monday June 10th, 5:30-6:30pm for a pre-season Gators meet up! Children will have the opportunity for lap swim, parents have a Q&A with the coaches. On-site registration will be available.

The meet up is not a drop off practice, parents must remain within the facility at all times.

Registered Kids Receive 2 FREE GAMES Of Bowling Each Day Of The KBF Program All Summer Long, Valued At Over $500 Per Child!

Select bowling centers and schools around the country are participating in the first ever **Kids Bowl Free** program. This program is designed by bowling centers to give back to the community and provide a safe, secure, and fun way for kids to spend time this summer.

Children whose age does not exceed a limit by a participating bowling center are eligible to register for 2 free games each day of the KBF program, all summer long, courtesy of the participating bowling centers along with the schools and organizations.

- Registration is now open for Summer 2019
- Available at many bowling locations but locally with *Spare Time Entertainment* located at 350 Talcottville Rd in Vernon 860-875-2583
- Parents can register children ages 15 and younger and they would get 2 free games per day for the whole summer!

EDOC.ENGR.UCONN.EDU

UCONN
SCHOOL OF ENGINEERING

PRE-ENGINEERING PROGRAM

Provides an opportunity for a diverse group of middle school students ranging from grades sixth through eighth to participate in an educational enrichment opportunity designed to provide knowledge about the field of engineering.

We are PEP

SPONSORED BY
SCHOOL OF ENGINEERING DIVERSITY AND OUTREACH CENTER (EDOC)

The Pre-Engineering Program engages students in challenging, exciting hands-on problem solving activities facilitated by engineering undergraduate student mentors. Through this interaction, the middle school students foster the ability to improve or enhance their level of understanding of mathematics and science and the relation of these concepts to the future study of engineering.
