
Accessibility statement for Vernon Public Schools

We want everyone who visits the Vernon Public Schools website to feel welcome and find the experience rewarding.

What are we doing?

To help us make the Vernon Public Schools website a positive place for everyone, we've been using the [Web Content Accessibility Guidelines \(WCAG\) 2.0](#). These guidelines explain how to make web content more accessible for people with disabilities, and user friendly for everyone.

The guidelines have three levels of accessibility (A, AA and AAA). We've chosen Level AA as the target for the Vernon Public Schools website.

How are we doing?

We've worked hard on the Vernon Public Schools website and believe we've achieved our goal of Level AA accessibility. We monitor the website regularly to maintain this, but if you do find any problems, please get in touch.
