PHOTOGRAPHY SERVICES

BID #VPS-FY19-003

QUESTIONS AND ANSWERS

Q: I was hoping you can get me a copy of the winning bid from last time and who was awarded the bid.

A: This is the first RFP for a district wide photography provider.

Q: I was hoping that you could give me a little more information on a few bullet points. Under the “Digital Service” section, the last two bullet points state, “agency to provide secure database” and “agency to provide secure online portal (Aspen or Follett)”.

A: The “digital service” question is in regards to providing a secure portal that allows student and staff access to pricing and individuals private photos. It may also have the ability to link to other software such as Aspen or Follett without the use of CD or flash drives.

Q: Would you be able to provide approximately how many yearbooks are printed for each school, how many pages, and if it would be hardcover or softcover.

A: The approximate numbers are as follows:

- High School – 200 copies – 160 pages – Hard Cover
- Middle School – 250 copies – 72 pages – Soft Cover
- Elementary Schools (5 total) – 700 copies – 40 to 60 pages – Soft Cover
