Dear Parents/Guardians:

The RHS Summer School Program is designed to be a positive experience for everyone. The extension of the school curriculum into the summer months provides the time and school facilities to students who need and desire additional school work. This year Rockville High School is offering the following summer learning opportunities:

- The purpose of EdGenuity/Credit Recovery is to give students an opportunity to earn additional credits towards graduation. The students will use an online program(EdGenuity) with the help of a certified teacher to earn credits towards graduation.
- The purpose of the Intervention Program is to help eliminate achievement gaps, while providing students an opportunity to recover credit and remain on track for graduation.
- The purpose of the Bridge Program is to help a select group of eighth grade students recommended from the middle school, with their transition to Rockville High School. The students will participate in various school activities and field trips to provide a smoother transition to the high school. If you have any questions in regards to the program, please feel free to contact the Director of Summer School at brett.distasio@vernonct.org.

Please review the following information prior to enrolling your student in our program.

- Students will be using Edgenuity, an online learning platform. This program allows students to gain mastery in the Common Core standards in which they are deficient. Therefore, the focus is no longer on “seat-time,” but on content competency. There will be a 30 minute presentation about Edgenuity for the students at 8:30 a.m. on the first day of summer school, June 27th.
- Eligibility for the RHS Summer School Program will be determined by the sending school district administration.
- **All quizzes/tests will be taken during summer school hours.**

ADMISSION:

- Students from other districts must have administrative approval prior to registering (administrator signature on registration form or letter from their school administrator).
- Students will be expected to abide by the school rules as outlined in the RHS handbook. All out of district students will be required to review the RHS handbook online at

ROCKVILLE HIGH SCHOOL

SUMMER Learning PROGRAM 2022

https://www.vernonpublicschools.org/uploaded/RHS/Documents_and_Forms/RHS_HANDBOOK_20-21_Final.pdf

- Students will be asked to sign an acknowledgement form that they have reviewed the handbook online, and agree to abide by all school rules.

ATTENDANCE REQUIREMENT:

- Attendance will be monitored closely by the summer school teacher(s) and coordinator. Unless students are given permission by their summer school administrator, all students are expected to attend all scheduled summer school dates. **Students cannot have more than 3 absences during summer school or they will not receive credit.**
- If a student finishes early, they are not required to attend the remaining dates.
- Edgenuity progress reports will be emailed to parents on a daily basis. Parents should check their email on a regular basis so that they are aware of their son/daughter's current progress.

COURSE REQUIREMENTS:

- Students are required to complete all online course materials to gain credit. All students will be required to obtain at least a 70% on every assessment in an Edgenuity lesson in order to obtain credit for the course.
- All students will be required to attend. See Attendance policy above regarding absences.
- **The summer learning program will be divided into two semesters. The first semester will run from June 27th-July 12th. The second semester will run from July 13th-July 28th. A half credit can be earned for each of the**
- ***Any student that remains in the Red Zone on Edgenuity for 10 days or greater will be dismissed from the program.***

OTHER:

- The discipline and school dress codes for summer school are the same as those in place during the regular school year. Violation of the discipline code may result in automatic dismissal from summer school. Cell phones and electronic devices may not be used during instruction time.
