

VCMS Summer Reading Clubs 2021

Reading is even better when it's with a friend or family member. That's why this year's Summer Reading Clubs theme is: **Community of Readers.**

Students choose a genre club they're interested in and join a Google Classroom. Throughout the summer, students will read novels and short stories and watch films, discussing the issues and ideas presented in the texts.

Reading Club GOALS

Foster a love of reading

Nurture a community of readers

Practice and retain literacy skills

Join a Genre Club!

Realistic Adventure and Survival

Google Classroom Code: **beizpsh**

Historical Fiction

Google Classroom Code: **nyq6ui3**
