

RHS Advisory Activity

October 9, 2024

Agenda

1. Review the purpose of Advisory
2. Student News
3. Line Up Activity

Activity Description (Connection to goals: Work Hard, Play Hard and Own it)

- **What is the purpose of Advisory at RHS? (5 minutes)**
 - As this is only the 2nd meeting with your Advisory, please briefly review the information below. This is intentionally repetitive from your first meeting.
 - The purpose of Advisory at RHS is to promote meaningful relationships between staff and students while providing students with a framework for success at our school and beyond.
 - We do this through the concept of Work Hard, Play Hard, Own it! What do these statements mean to you? Create and/or review your group definition for your Advisory

-
- **Student News video (10 minutes)**
 - Follow the link below to watch this week's *Student News* segment.
 - [Click here to view the Student News](#)
 - The Student News this year will be highlighting people, places, clubs and happenings here at Rockville High School. Stay tuned for more videos from our Video Production Club.

-
- **Line up (10-15 minutes)**
 - Tell them that this is group competition and that you will give the instruction for groups to line up in a particular way. Each group should get in a line as quickly as possible. **The twist is that this is a “silent activity.”**
 - Split your Advisory into 2 groups.
 - Conduct a practice round.
 - Tell each group to line up according to their height
 - When each group is lined up appropriately all group members should clap to indicate they have completed the task.
 - Have the students compete in at least 2 more of the following variations:
 - Line up in order by shoe size.
 - Line up in order by length of arm’s reach.
 - Line up in order alphabetically by favorite color.
 - Line up in order by the number of siblings you have.
 - Line up in order by hair color, lightest to darkest.
 - Line up in order by age, youngest to oldest.
 - Line up in order alphabetically by first name.
 - Line up in order alphabetically by last name.
 - Line up in order of the number of pets owned.
 - Line up in order by hair length, longest to shortest.
 - Remember you can vary the activity however you wish or try a different team building activity you like to use.

Materials & Resources

Projector or New Line TV to stream video
