RHS Community Service

Community service is a vital part of the graduation requirement at Rockville High School. Community service allows students the opportunity to be active participants in shaping their community and providing assistance to people and agencies that need it the most. While volunteering their time, students gain valuable life and work skills including leadership, collaboration, and responsibility in addition to the feeling of pride that comes from knowing that you helped impact the life of another individual in a positive way.

It is the student's responsibility to contact a local non-profit agency to make arrangements to complete the required hours prior to their senior year of high school.

If your community service is not completed with a non-profit agency, please see your Assistant Principal in advance for approval.
