

VERNON PUBLIC SCHOOLS - FAMILY SURVEY INFORMATION

Date: April 23, 2018

WHAT?

The Vernon Public Schools conducts **annual surveys of students, parents, teachers, and staff as part of a coordinated effort to improve schools.** This year, Vernon Public Schools has formed a partnership with Panorama Education to plan, administer, and collect feedback data. Your responses will provide us with important information to help your school become even better. All of your responses are completely anonymous. As you think about each question, base your response on your own personal experiences as a parent/guardian. **The survey is available for families April 24th to May 11th.**

WHY?

Helping students do their best in school requires a team effort. To help all of us learn how to make your child's schooling experience as positive and beneficial as possible, please give us your honest, thoughtful responses by participating in the survey!

HOW?

Participate online: The link is found below. Surveys are available online in English, Spanish, French, Urdu and Vietnamese. Or, participate on paper: Contact your school for a paper copy. Please complete 1 survey per school that you have a child attending. The survey should take you approximately **10-15 minutes** to complete.
