News

If your child is on a team and you are looking for ways to help our programs, consider being a booster parent. Boosters will meet once per season and responsibilities include fundraising, senior nights, and post season banquets. See your coach for more details.

Our school and athletic program is striving to align with the Class Act Standards set by the CIAC (Connecticut Interscholastic Athletic Conference). We need the support of all coaches, athletes, parents, staff, fans, and community members to make this happen. We ask that you support our programs and always display respect and sportsmanship at all times. More details can be found at http://ciacsports.com/site/?page_id=10438.
